Headlines for when communicating with stakeholders about integrating MHPSS
MOMENT Priority Action Area One Working Group
February 2023

The top 5 headlines for communicating with those unfamiliar with MHPSS to be used by Moment working group members

1. Ask what they are planning, their needs and how they think we can best integrate MHPSS
2. Explain what mental health and psychosocial needs are, define MHPSS (if required) and how it fits with their activities
3. Explain how MHPSS can enhance their specific activities and programmes.
4. Draw attention to the MHPSS Framework
5. Ask them to integrate basic psychosocial activities into their programs, including basic psychosocial training
